ANNUAL REPORT and LIST OF MEMBERS

OF THE

SALMAGUNDI CLUB 1941

Financial and Membership Reports

FOR THE YEAR 1940-1941

REPORT OF THE TREASURER

To the Members of the Salmagundi Club:

I herewith submit, as Treasurer, my report covering the financial operations of the Club for the fiscal year ending March 31, 1941.

The operating statement shows a loss of \$1,324.06 as against a deficit of \$1,394.89 for the corresponding period last year. Uncollectable accounts amounted to \$556.92, making a net loss of \$1,880.98.

Again your Treasurer has to remind you that the unfavorable showing of the past few years compared to former years is due almost entirely to the shrinkage in dues, caused by the loss in membership. In substantiation, we have only to go back ten years to March 31, 1931, when our total membership numbered 896 as against 560 on March 31, 1941. The loss of 336 members means a decrease in revenue of approximately \$12,000.00 annually.

A detailed statement of the Club's financial operations, together with the Auditor's certificate, are hereto annexed.

R. F. KILPATRICK, Treasurer.

CERTIFICATE OF AUDITORS

We have made our examination of the books and accounts of the Salmagundi Club for the fiscal year ended March 31, 1941, and have prepared therefrom the attached Balance Sheet as at March 31, 1941, and Statement of Income and Profit and Loss for the year ended that date.

In connection therewith, we examined or tested accounting records of the Club and other supporting evidence to the extent which we consider sufficient to satisfy ourselves as to the correctness of the accounts and the adequacy of the system of internal control.

In our opinion, based upon such examination, the accompanying Balance Sheet and related Statement of Income and Profit and Loss, fairly present, in accordance with accepted principles of accounting consistently maintained by the Club, its financial position at March 31, 1941, and the results of its operations for the fiscal year ended March 31, 1941.
